

# CORONAVIRUS SUPPORT NETWORK FOR LEEDS 16

Dear Neighbour,

We are a new network of local Churches and Voluntary organisations, local Councillors and your MP who are getting together to help provide you with support through the Coronavirus (Covid-19) crisis .

OPAL are leading this effort in partnership with 'Doing Good Leeds' which is managed by VAL (Voluntary Action Leeds) and Leeds City Council.

**If you need help please contact one of the organisations listed overleaf.**

***If we don't answer your call immediately please leave a message and we'll get back to you as soon as possible***

**Please contact 'Doing Good Leeds' to register to volunteer at:  
<https://doinggoodleeds.org.uk/> or call 0113 297 7920.**

**Please be cautious in responding to other offers of help in response to the Coronavirus crisis as there are scams circulating regarding help with loans, medical aid, shopping support and other forms of support.**
